Worldwide Hotel Rating

We can see that Europa has the highest Rating on Hotels, Also has the highest number of hotels.
After that we see Asia comes behind Europa in Rating and number of hotels.
In the end we see Africa and South Pacific almost in the same range.

World wide Hotel Rating

Hotel prices by continent
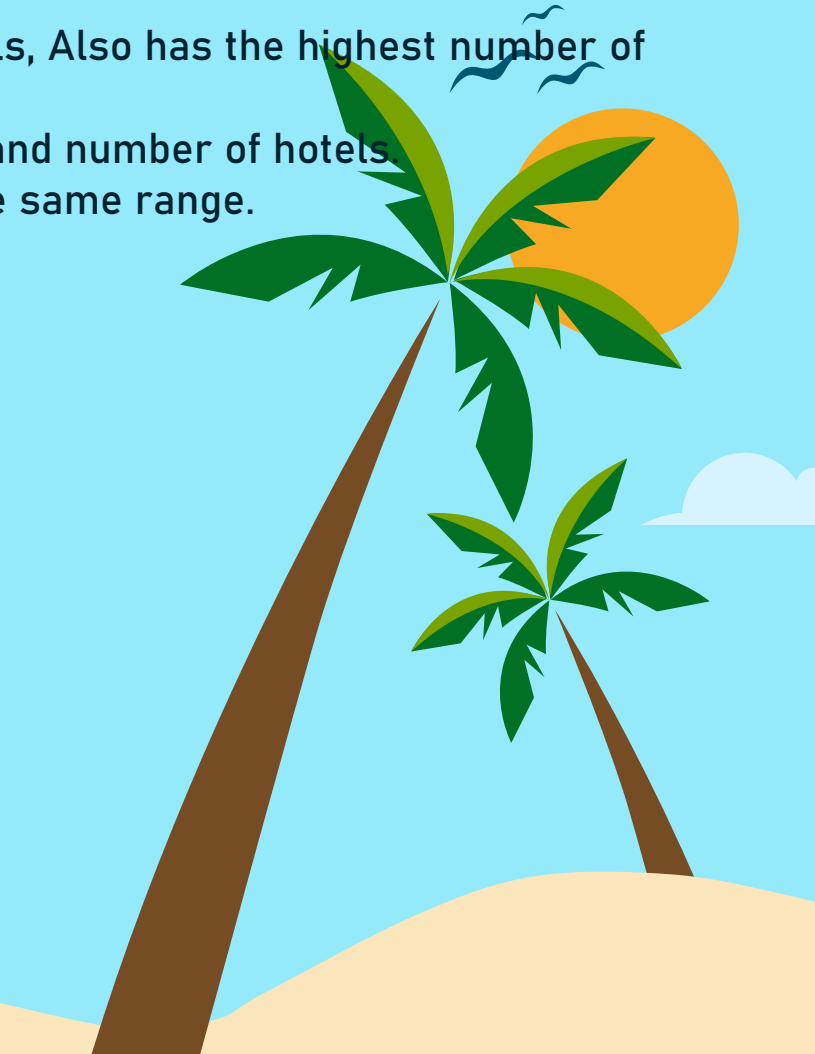

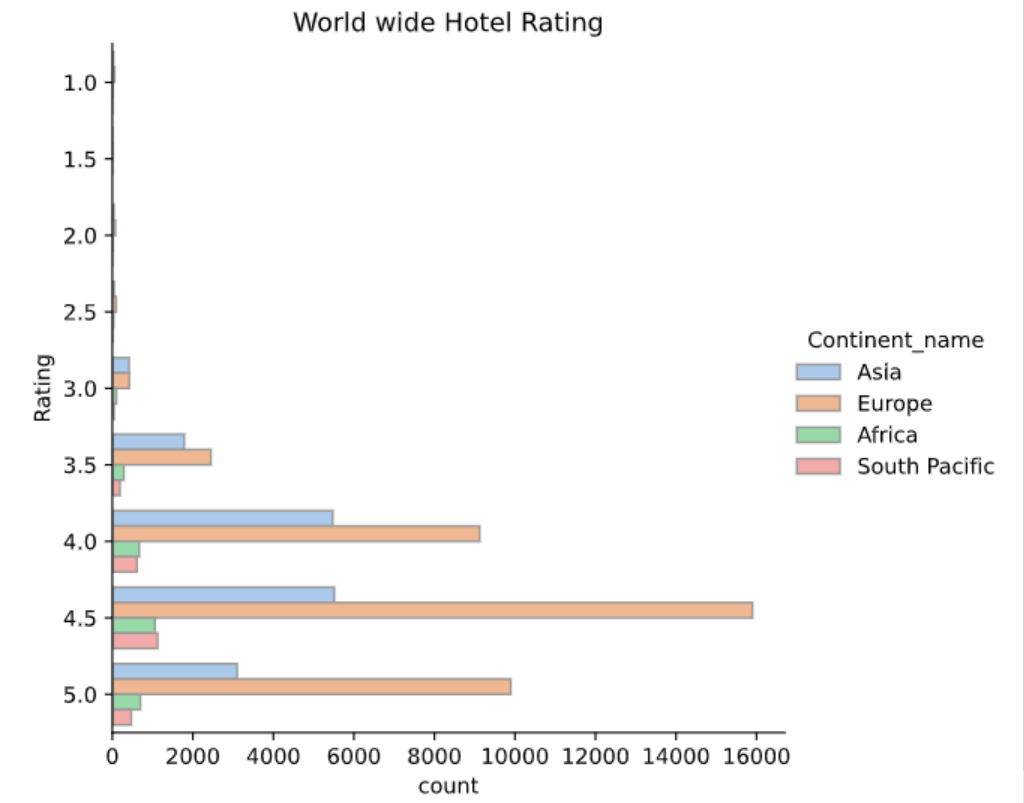

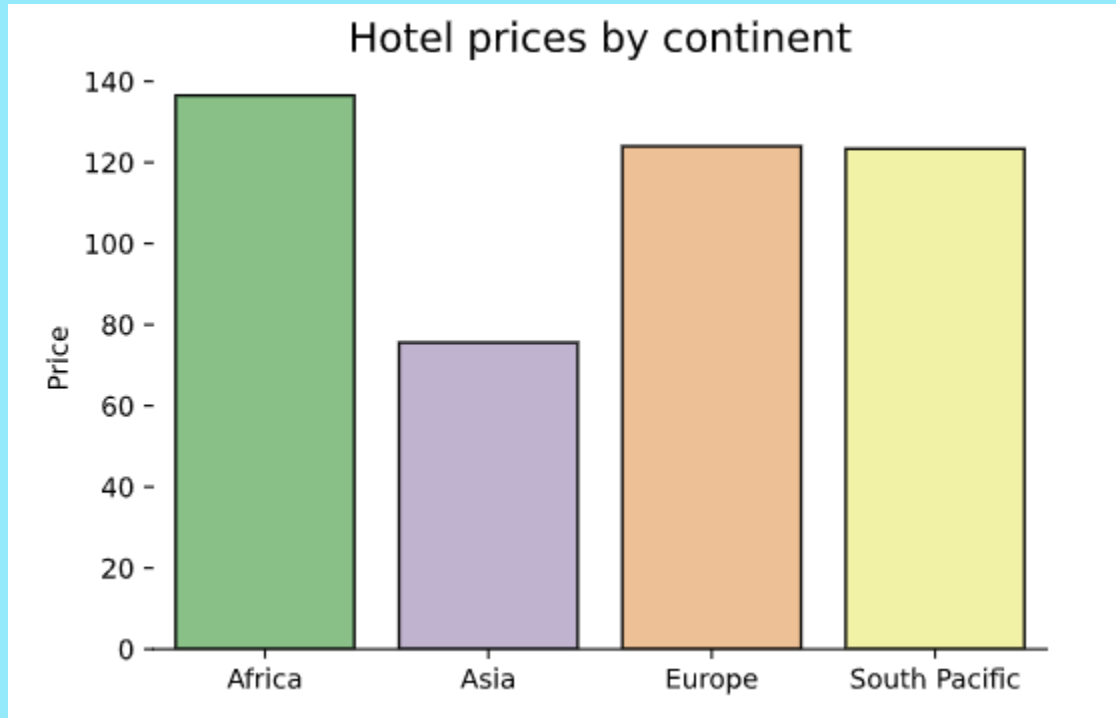

We can see that Africa has the highest average price per night for Hotels. Where Europa which have highest Rating on Hotels, it comes with a little bit cheaper price per nigh same as South Pacific.
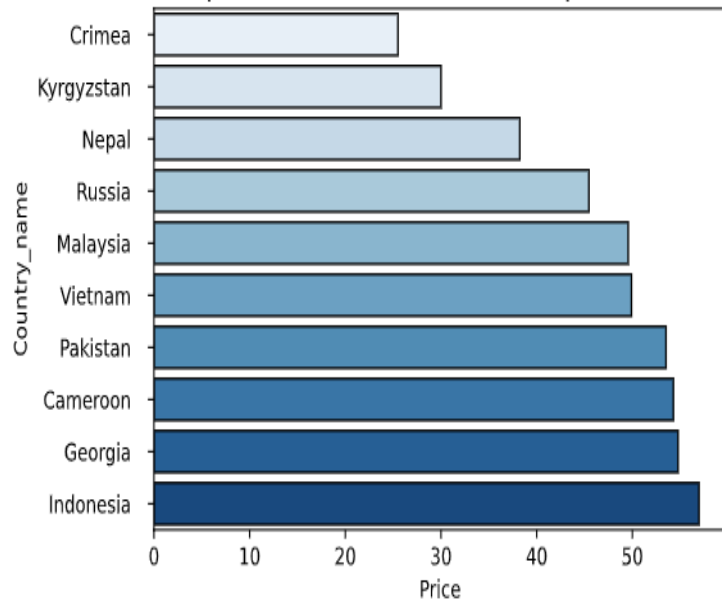

This shows that there is no positive correlation between how rich a continent is, and the
